

Health Care & Religious Facilities

Building with a Difference™

Sierra View's experience in the specialized fields of health care and religious construction assures projects that are delivered in a way that exceeds client expectations. We call it **"Building with a Difference."**

For facilities that support physical clients put their faith in Sierra View's professionalism

Health Care

Sierra View understands the specific design and construction requirements of the health care industry. We are experts in program management, not

just project management. We work with our clients to enhance their patient care delivery – whether we're building an outpatient facility, medical office building, or

a specialty surgeon's suite.

Our health care projects include:

**Medical Offices / Specialty Medicine / Veterinary Centers
Dental/Orthodontics / Dialysis Clinics / Surgical Offices
Cancer Treatment / Physical Fitness Centers / Spa Facilities
Health Center Tenant Improvements**
